Cut Costs Like a Pro, with Savings4Members

From credit card processing and fuel to office supplies, payroll, and everything in between - every business has operational costs. But could some of them be lower? For the average business, the answer to that question may come after hours of research. For members like you it's much easier. Put your membership to work for you. By partnering with Savings4Members, we've joined hundreds of organizations like us to give businesses like yours two important things: Buying power that goes straight to your bottom line, and a team that helps you handle the details.

Here's How it Works:

Access: Go to your Savings Dashboard to explore opportunities to save from our pre-vetted network of national vendors
Activate: Your Savings Team will assess your business and activate the best savings opportunities for you
Add it Up: With pre-negotiated discounts in over 20+ categories, the average member saves \$14,000 a year. *Ready to add-up your savings?*
